Dear Class of 2011:

You did it! Congratulations on your graduation from Stoughton High School. You and your families should be proud of this accomplishment. I know that you have worked hard and overcome many obstacles to get here. You have also made valuable contributions to the Stoughton High School community along the way. I hope that your experience at SHS has been a memorable one.

From my first day on the job, I have heard only wonderful things about the Class of 2011. You are truly a great group of young men and women. I have enjoyed working as your principal over the last year. Thank you for your spirit and your participation in the classroom, athletics, performing arts, and extracurricular activities. Many of you have also dedicated your personal time to improving the greater community. We are proud of you, and your future looks bright.

On behalf of the faculty and staff at Stoughton High, I wish you all the best as you move into the world of higher education, the military, or the workforce. We hope that you maintain your strong connection with your high school and your community. We'll miss you.

Warm regards,

Mr. Matthew Colantonio

MARGURITE C. RIZZI, Ed. D
SUPERINTENDANT OF SCHOOLS

Dear Class of 2011,

Congratulations on the impressive array of accomplishments that you have achieved during your Stoughton High School career. You have excelled in so many areas, including academics, athletics, music, service and personal growth. Most of you will go on to some form of education after your time here, and I know you will all distinguish yourselves in some unique and distinctive ways.

Though you have done so much and grown so exponentially, this is just the beginning of what I hope will be long, happy and fulfilling lives for all of you. There is so much that you have yet to learn and experience. Take all of the skills and knowledge that you have learned in the Stoughton Public Schools and go make your mark in the world, in what-ever field of endeavor you choose.

You are entering the adult world in a time that is described daily as one of economic hard times. Many generations have had their challenges and yours is not going to be an exception to this. I know that you have every thing you need to meet these challenges and leave the world a better and happier place for your contributions to it. Thank you for the time that we have had to spend with you and remember that we are very proud of you, and will continue to be so in the future.

Wishing you all the best,

Dr. Maggie Rizzi

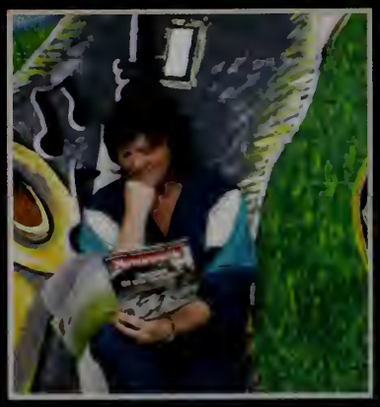
RETIREES

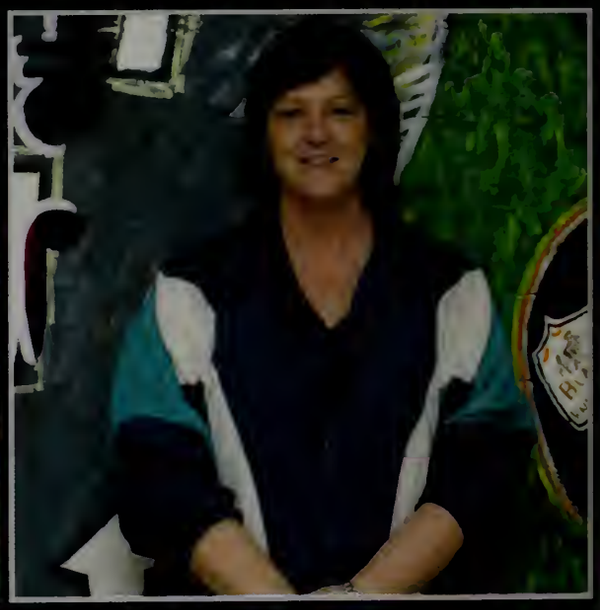
Kevin Kelleher

Thank You Kevin Kelleher for all your years contributed to SHS. Teaching Human Anatomy, Biology, and Physiology helped our community grow.

Patricia Curtis

Mrs. Curtis has been at Stoughton High for over 38 years. She has dedicated herself to keeping students active by being a physical education teacher.

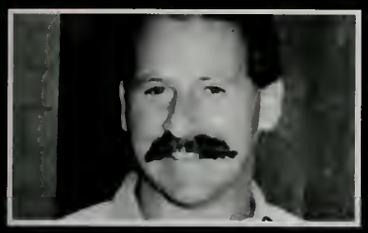




"I enjoy waking up and not having to go to work. So I do it three or four times a day."- Gene Perret

Paul Jacobs

Mr. Jacobs is retiring after 35 years in education. After teaching in the Boston Public Schools for 5 years he came to SHS in 1981 to teach Biology. Later , he became the Director of Physical Education K-12 and the Varsity Golf Coach. In 2007 Mr. Jacobs became Assistant Principal at SHS.



Dan Higgins

Mr. Higgins has spent 19 years as a special education teacher helping students be successful in the curriculum. He has taught at SHS for the last 10 years where he has been lucky enough to work with exceptional men and women. He is forever grateful for his experience.

Senior year; where has the time gone? Many are saying that they can not wait to get out of here. But there is always that moment where you look back and wonder how the time passed so quickly. The fact that our lives are changing as we speak is a factor no one can wrap their heads around. As we look back on our years at Stoughton High School, there are great memories that could never be forgotten.

I would like to thank my Mom and Dad for all their help and support throughout my life. I would also like to thank my cousin Nate for being a friend. I want to thank all my friends for the good times we had in and out of the class rooms or on a sports field. Cross country was the greatest experience. I want to thank all my coaches and team mates for guiding me along and helping me to progress as a athlete. Good luck 2011.

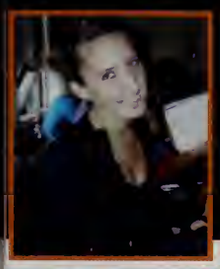
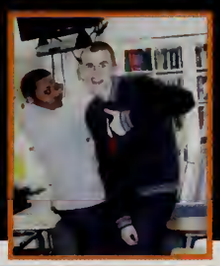
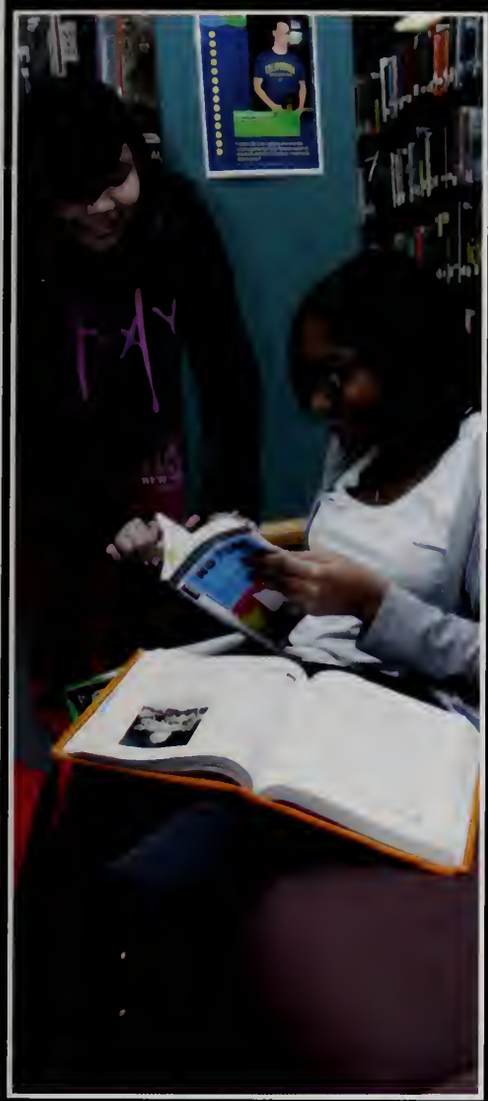
"Life gives us brief moments with another...but sometimes in those brief moments we get memories that last a life time..."- Anonymous

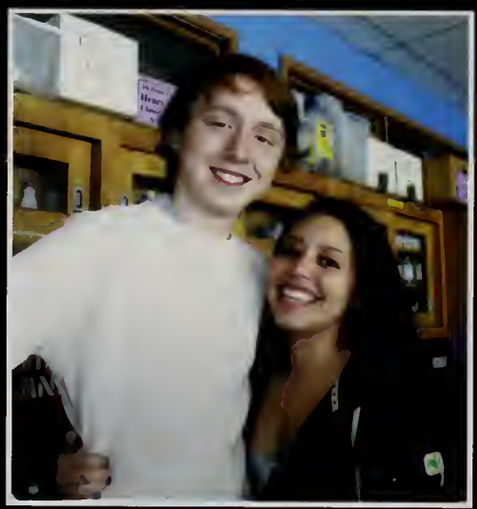


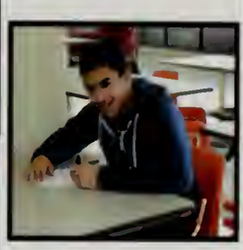


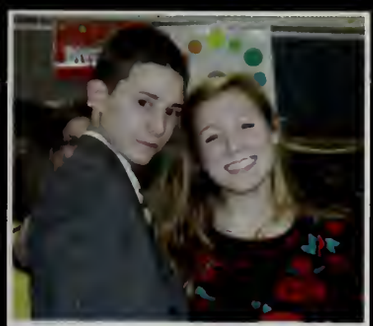
STUDENT LIFE

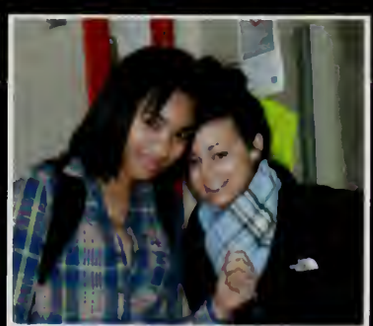
Stoughton High School is a city in itself. Each student is climbing their own skyscraper to reach success at the top. You may pass other classmates on the way, and others might reach the top before you, but each person you may pass is another person who may take you another step closer to success. Sometimes you will get tired of climbing, but it's the curiosity of what is on the next floor and what new people you will meet that keeps you going. But the most exhilarating feeling of all is when you reach the top of the building, look out onto the city and know that you have finally made it there. But never forget each step you took up the stairs that got you there.

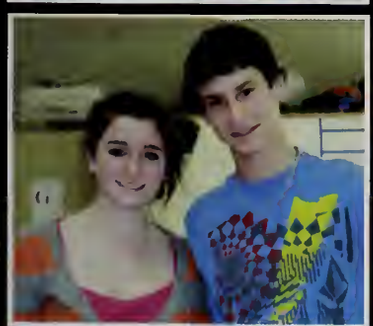


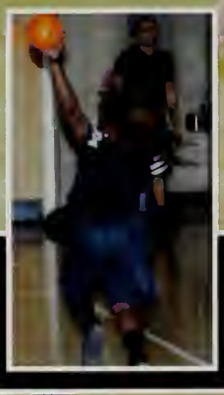












"If you can dodge traffic, you can dodge a ball."
-Patches O`Houlihan

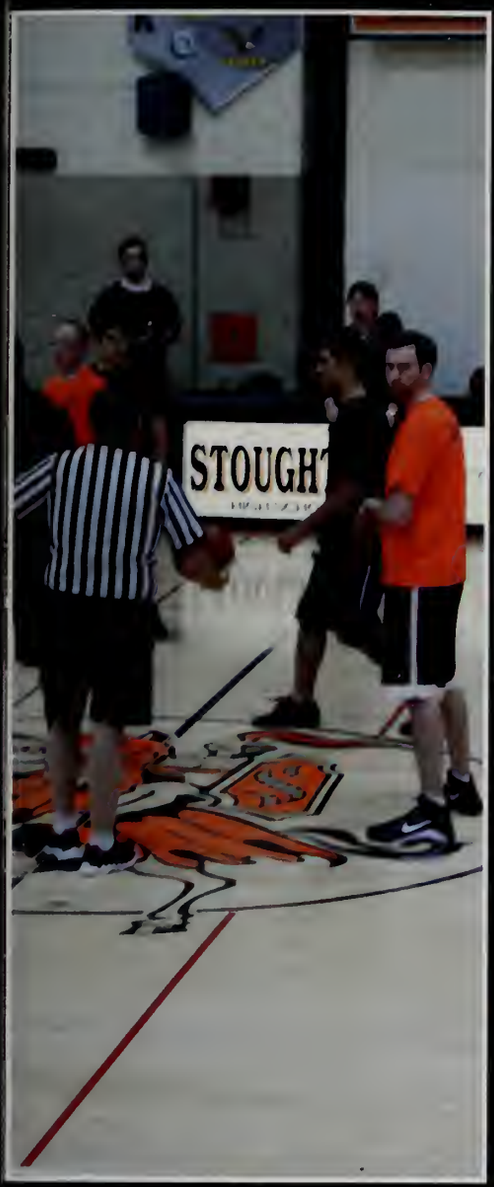
Student Faculty Basketball Game



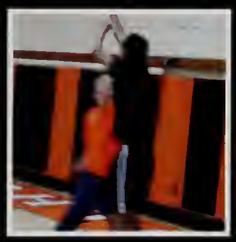
For the past three years, the class of 2011 has held a traditional student v.s. faculty basketball game fundraiser. Many teachers were eager to sign up and play. In order to be eligible to participate as a student, you had to have had no basketball experience on a Stoughton High basketball team. These past 3 years have been a great success with many people signing up to play and with the result of a big crowd. This basketball game was a great way to fundraise and bring the school together. The past 2 years the students have showed off their skills and won 2 times in a row, but this year the teachers pulled out a W to take it away. The seniors have not decided who to hand down the tradition and class fundraiser to yet, after they graduate.

Senior Mekkel Blanchard wipes the bottom of his sneakers to get ready for the intense game agaisnt the teachers.

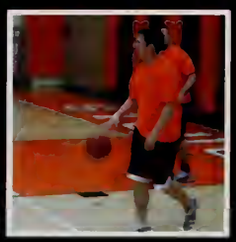
Mrs. Schneider goes up to the student to play tight defense to help the teachers get the victory!

Principal Mr. Colantonio runs after the ball in a close game agaisnt the students.

This student dribbles up the court trying his hardest to get around a teacher playing good defense.



This student throws up a 3 pointer to help his team beat the faculty.



Mr. Armour recieves a pass from out of bounds from Mr. Bechet and proceeds to dribble up the court.

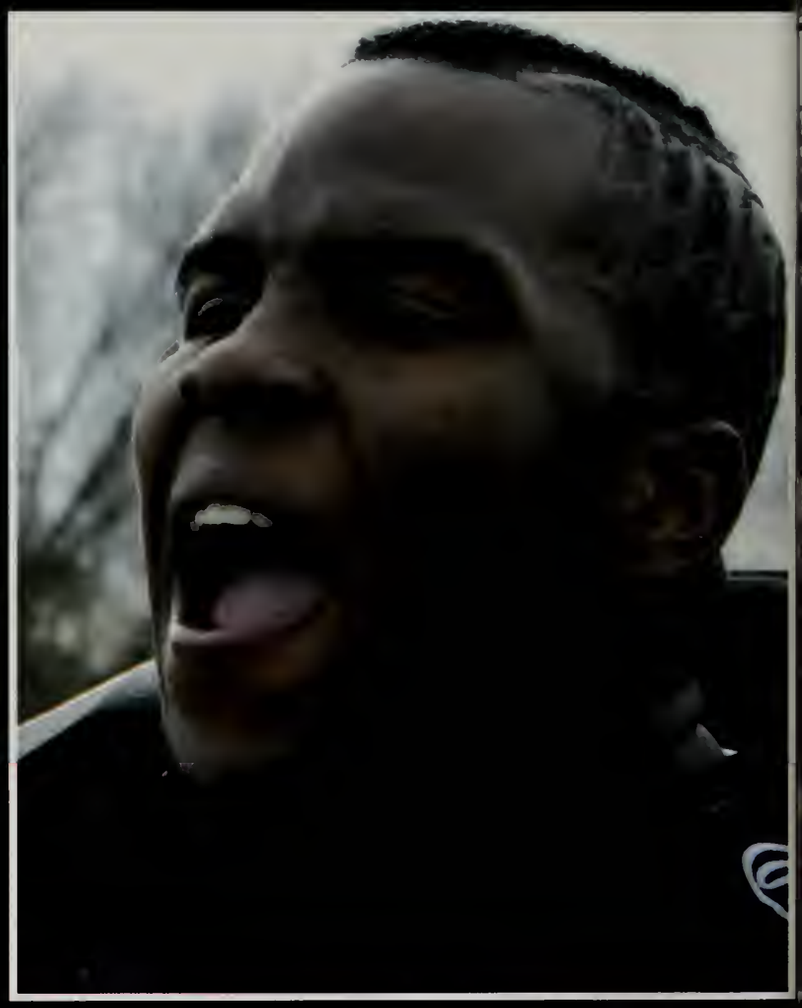
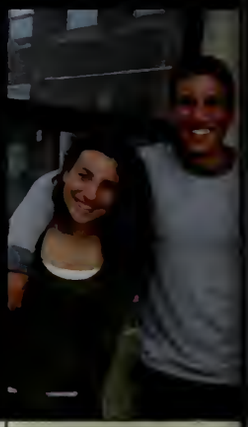
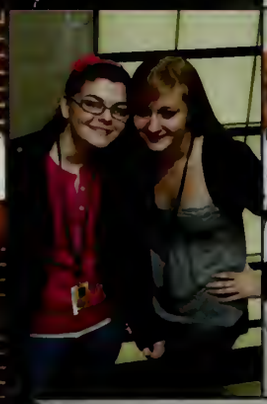
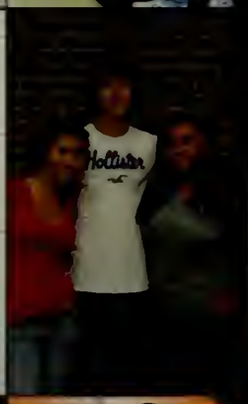
Thanksgiving Game

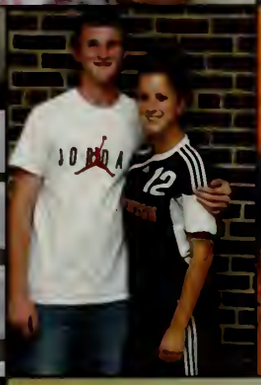


Stoughton Black Knights won the game 26-6 beating the Canton Bulldogs making the all time record 42-39-4; taking the lead by three games and continuing one of the oldest rivalries in Massachusetts. Over the past six games, Stoughton has outscored Canton 202-28.In the first half Brandon Alves scooped up a fumble and scored the first touchdown. To start off the second half, Marcus Middleton opened up with another touchdown for the Black Knights and the next two were scored from running back Travis Demko. Stoughton also shares a part of the Davenport title with Easton and Foxboro by wining the Thanksgiving game, making there record in the small Davenport division 3-1.









A city is nothing without the families who call it home.

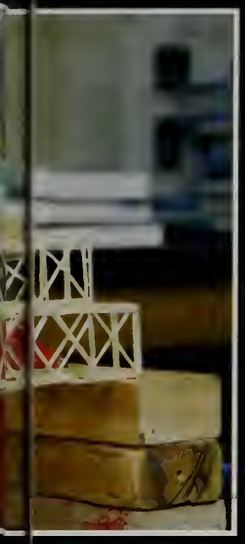
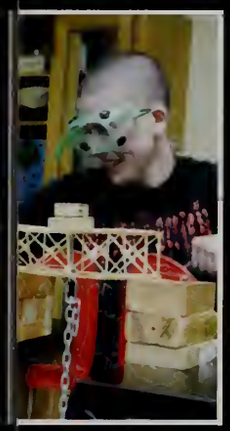
Bridge Day and Bottle Rockets

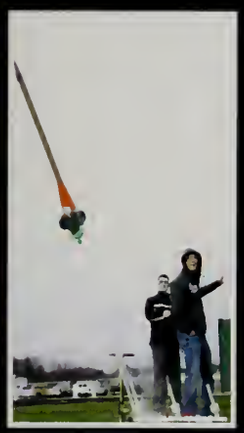
These two projects are assigned by Mr. Carey and Ms. Sullivan for their honors and college physics classes. The bridges are made of no more than 200 tooth picks and glue. They must be designed to hold a minimum of 3 kilograms, but if they hold up to 13 kilograms they are able to receive an A+. The bottle rockets are made out of two liter soda bottles and other materials the students think will make their rocket succeed! They are tested to see how long they can float in the air before landing on the ground. To receive an A+ the rocket has to stay in the air for 12 seconds or more! These projects are long standing traditions for seniors at SHS!

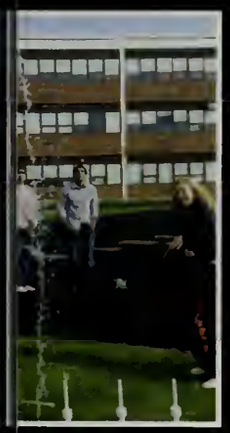
Ms. Sullivan and all her students circle around while examining Tim Hanson's bottle rocket.!

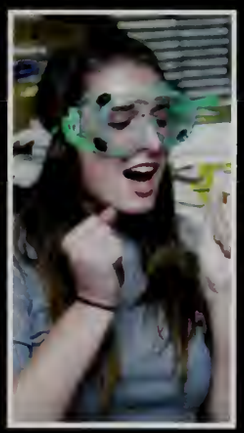
(Left to Right) Tim Daly ,Drew Madoff, Chris Thorton, Riordan Hoffman, Laurie Koelsch, Marissa Horgan, and Megan Guerard all get ready to see how long their bottle rocket stays in the air!











Kristen Morris gets excited while putting weights on her bridge, very slowly she reaches for another weight to see if her bridge will be successful. She is aiming for an A+ for all her hard work!

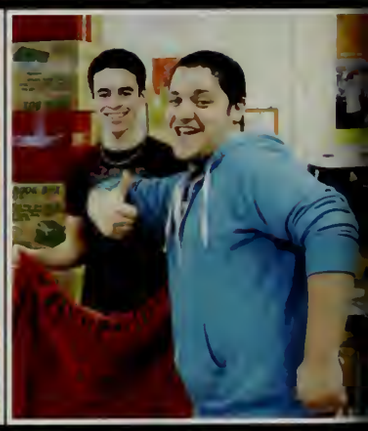
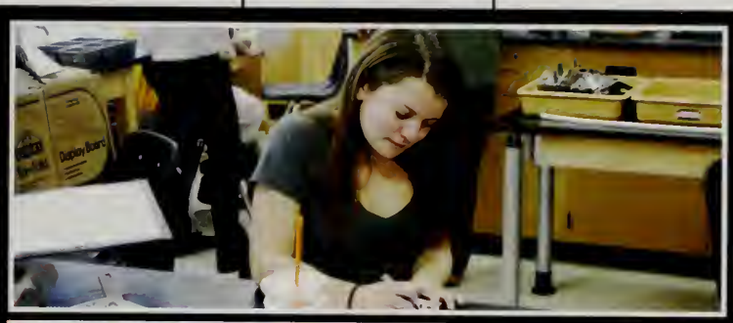
Third Place State Winners!

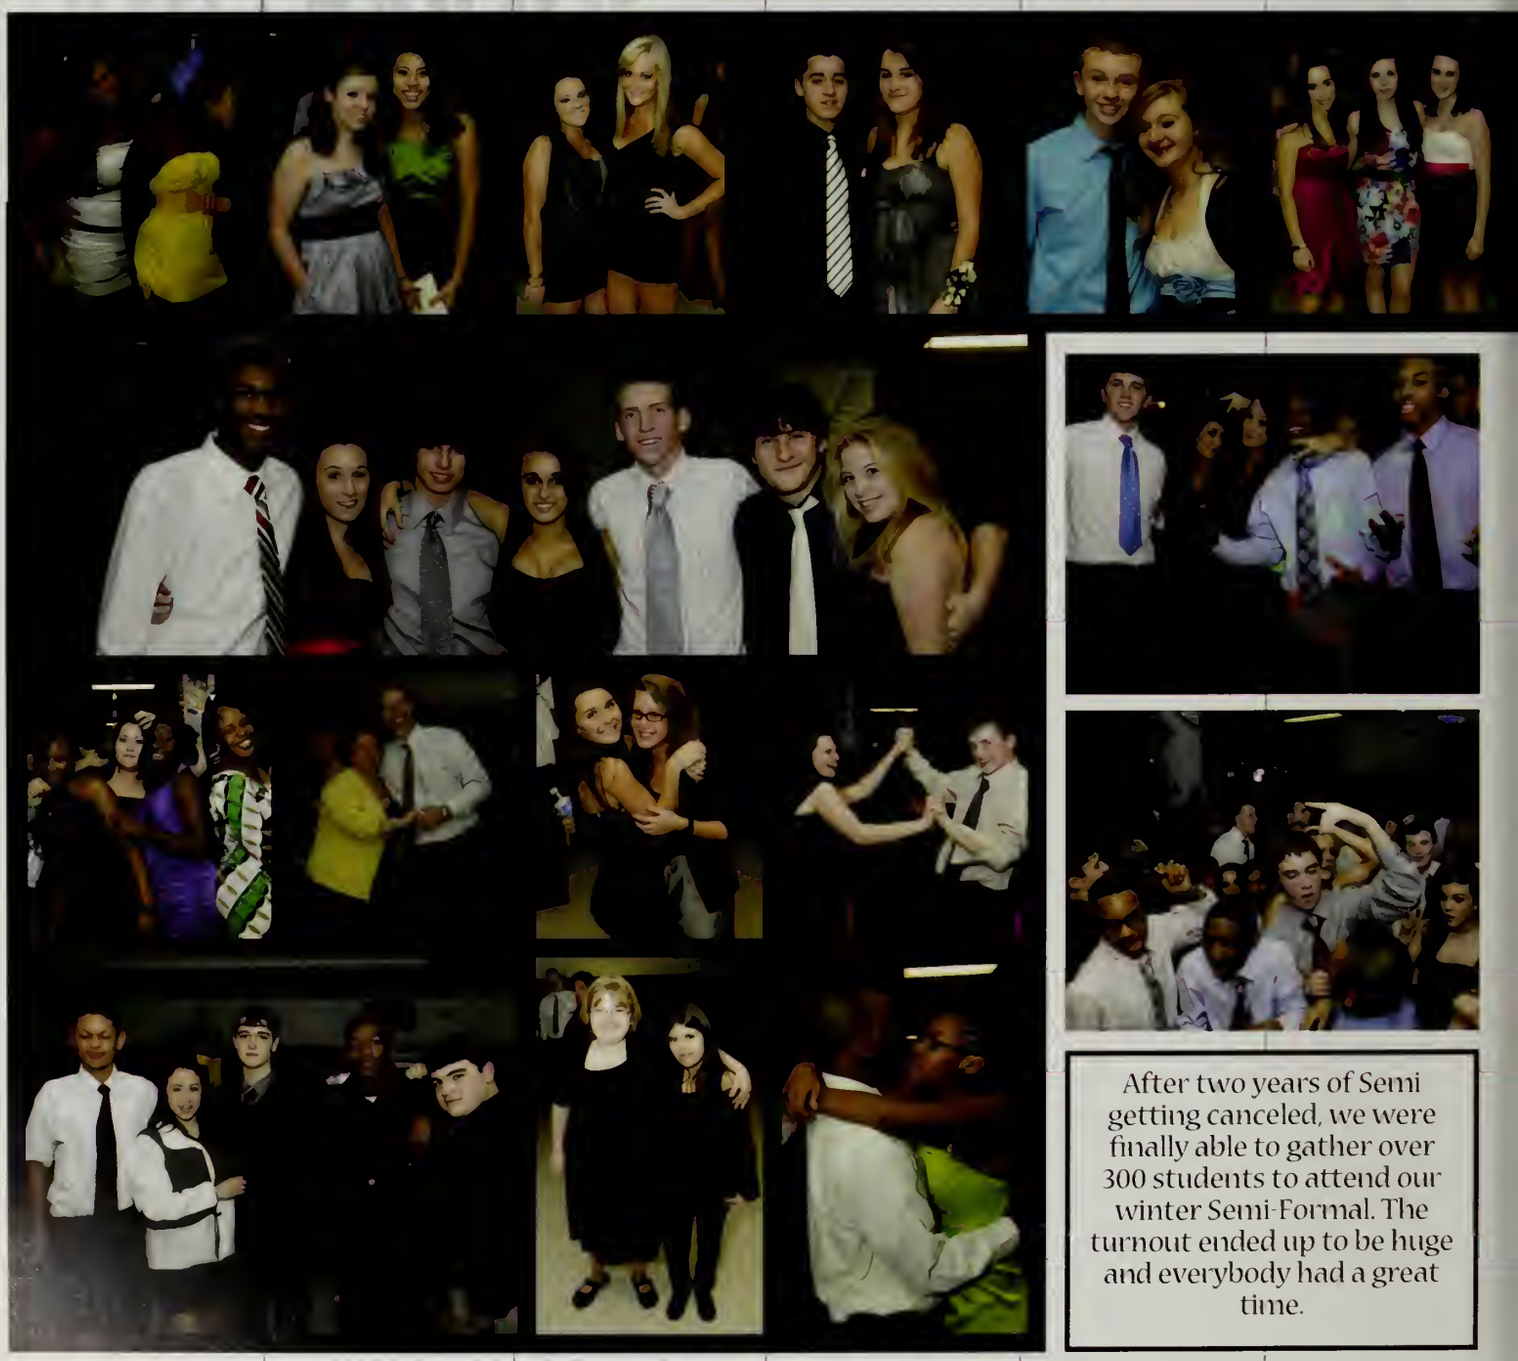


Imagination



This past year in Construction Challenge has been an adventure for Stoughton High with several teams constructing great projects to show their skills. After all of their hard work, the teams qualified to travel to Whitman-Hanson High School to compete in the Destination Imagination competition. Stoughton High had 33 students divided into 5 teams that were all coached by engineering teacher Mr. Norton, and competed in the Unidentified Moving Object. Many teams from Stoughton High school exceeded everyones expectations, with team Diesel beating a strong group of students from Berkley High School to take first place regionally. After beating this team, Stoughton High School's team Diesel went on to the state competition at WPI where they received 3rd place!

Semi Formal



After two years of Semi getting canceled, we were finally able to gather over 300 students to attend our winter Semi-Formal. The turnout ended up to be huge and everybody had a great time.

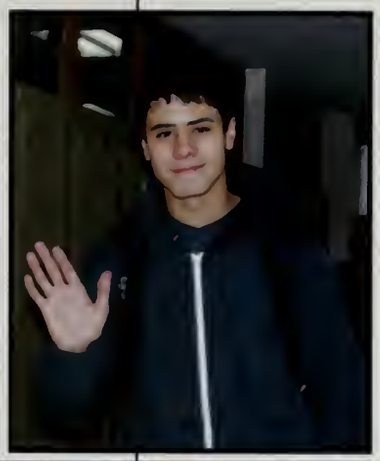
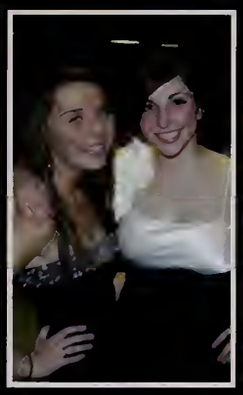
Underclassmen





Now that the seniors have finished their time at Stoughton High School, it is now time for the underclassmen to take a step up. You have journeyed down the sidewalk of a busy city street. Now as you progress, make sure you stop and take a look at what's around you and don't forget the things you've learned and the people you've met. These next few years may be the most important you experience.

SHS SPORTS

From practices to games, meets, and competitions, each Black Knight team has grown to become more than a team, they're a family. Stoughton's sports teams have always shown a great effort to do their best and show their spirit, win or lose. No matter what team you are on, you are a Black Knight. Each player may only be a small brick, but that brick is a part of a mighty building. Without that small brick, the building may lose the support it needs to be a whole. The Stoughton High School teams have built themselves up with the strongest bricks they can find, and that's what makes them the Black Knights.

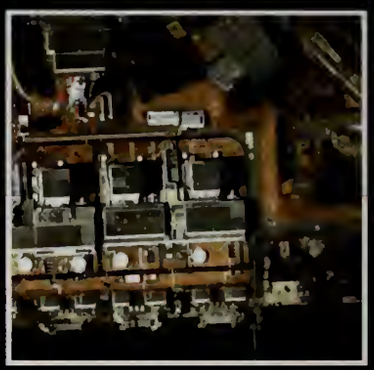
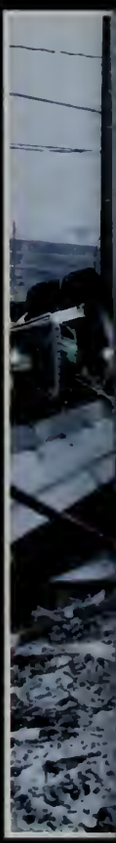
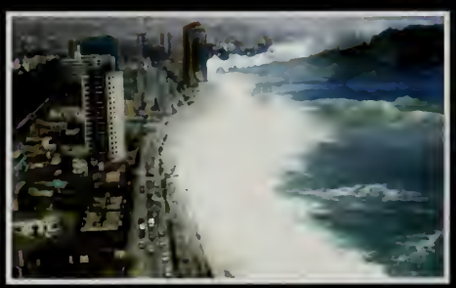
Nuclear Crisis

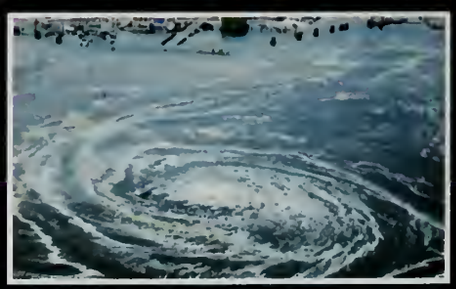
EARTHQUAKE





TSUNAMI





We Dedicate the 2011 yearbook to the people of Japan who have suffered great tragedy in the month of March, as well as their families beginning new lives and recovering from these tragedies.

Dedication To Japan

On Friday, March 11, 2011, Japan suffered an earthquake of a 9.0 magnitude which would devastate the lives of millions of people. This Earthquake was just the beginning of a series of disasters. The earthquake caused a tsunami, which struck Japan taking the lives of more than 18,000 people. Homes, buildings, and cars were either destroyed during the earthquake or swept away by the powerful rage of the tsunami. Courageous efforts were made by many people to make sure survivors got food, shelter and the care they needed to tend to wounds. But the damage did not end with the tsunami. Due to the destruction caused by the natural disasters, two of Japans nuclear reactors were badly damaged and many people scrambled to help contain the reactors from melting down and expelling excessive amounts of radiation into the air. We would like to recognize everyone who put their time and effort in helping Japan recover from these tragedies. Our thoughts and prayers are with them.

Stay Strong

Thank You!

The Stoughton High School Yearbook commitee would like to thank all of the businesses, parents, guardians, and clubs who purchased an ad in the 2011 Stotonian. Without your help and support this yearbook would not be possible. We are grateful for all of your contributions!

The officers for the Class of 2011 would like to thank their class advisor, Mr. Bowl-yer (Beaulieu) for all his hard work and dedication. These four years would not have been as fun and successful without you! We would also like to thank all of our teachers, our administrators, our families and all of the friends that we have made over our journey these past 13 years! Thank You!

A Few Words from Your Class Advisor...

What can I say? I feel extremely lucky that I had such an amazing class to advise. I have thoroughly enjoyed watching you all mature both as students and young adults these past four years. I will genuinely miss all of you that I have gotten to know. I wish every member of the class of 2011 the best of luck in what ever endeavor you choose to pursue. As a science teacher, the one piece of advice I have seems fitting -

"The important thing is not to stop questioning."

Stoughton High DECA

I would like to start off by thanking all of our SHS DECA students for a fun and successful year. I am so proud of each and every one of you for giving me the opportunity to be your Advisor this year. To my seniors, everything we accomplished this year can directly be attributed to the hard work and countless hours you have spent with our younger members. I wish you all good luck in your future endeavors and you will be missed. To my action team; Laurie, Bayla, Kaitlin, Alex, Valerie, Nick, Cassie and Heather I have never met a more driven and helpful group of people, thank you.

PINCHING PENNIES

The Census Bureau reported 43.6 million Americans living in poverty in 2009--the most in 51 years. In September 2010, foreclosure rates hit a record high as banks took over more than 100,000 properties. Financial experts indicated that the economy was the cause: the U.S. endured the longest recession since the Great Depression.

A ROYAL ENGAGEMENT

Prince William of Wales, the future King of England, announced his engagement to long-time girlfriend Kate Middleton. William gave Kate the sapphire ring his mother, the late Princess Diana, received from his father Prince Charles. The couple planned to wed in spring 2011.

ENGULFED IN OIL

An oil rig in the Gulf of Mexico exploded, causing the largest oil spill in U.S. history. Nearly 200 million gallons of oil gushed into the Gulf for almost 3 months before a cement cap placed over the well stopped the leak. Over 600 miles of shoreline and more than 44,000 square miles of the Gulf were impacted including nature preserves and animal habitats.

MUSICAL CHAIRS

Jennifer Lopez and Steven Tyler replaced Simon Cowell, Ellen DeGeneres and Kara DioGuardi in the judges' seats for *American Idol's* 10th season. Randy Jackson remained as the only original judge.

MILLION-EGG RECALL

An estimated 500 million eggs were voluntarily recalled due to salmonella. Hundreds of cases reported in California, Colorado and Minnesota led the FDA to investigate the origin of the outbreak.

Nearly 1,470 people were impacted by the outbreak.

SWISS MARVEL

After 14 years of construction and a $10 billion price tag, the world's longest rail tunnel was completed in the Swiss Alps. At 35.4 miles long, the record-breaking Gotthard Base rail tunnel will reduce passenger travel time and protect the Alps from erosion caused by roadway freight traffic.

GIVING GOES UP

Volunteerism rates increased by 1.6 million volunteers (or 8.1 billion hours of service) in 2010, translating to around $169 million, according to the Corporation for National and Community Service. In contrast, monetary donations decreased for the first time in over 20 years.

SPY SWAP

In the biggest spy swap since the Cold War, 10 Russian spies residing in the U.S. were exchanged for 4 U.S. spies during an arranged trade in Vienna, Austria. The exchange was part of a plan to re-establish relations between the U.S. and Russia.

BLOCKBUSTER BUST

Former movie-rental giant Blockbuster Video filed for bankruptcy to overcome nearly $1 billion in debt. In recent years, Blockbuster lost customers to Netflix and Redbox. Blockbuster continued to operate its 3,300 U.S. stores, Internet and mail businesses.

MINERS SAFELY RESCUED

A Chilean mine collapsed trapping 33 miners half a mile underground for 69 days. While they awaited rescue, bore holes delivered food, entertainment and messages from family members. Rescue efforts were executed efficiently, and the entire crew was delivered to safety in a specially designed capsule.
